The **Arizona Historical Military Transport Association (AHMTA)** is sponsoring the 8th Annual **Southwest Military Transport show on March 24th-25th** which will be hosted by the **Commemorative Air Force (CAF) Aviation Museum**, home of the famous B-17G “Sentimental Journey”. The Commemorative Air Force Museum is located at Falcon Field in Mesa, AZ at the NE corner of Greenfield and McKellips Rd (2017 N. Greenfield Rd).

The Arizona Historical Military Transport Association will be displaying 40+ antique military vehicles from all major wars including WWII, Korea and Vietnam. These vehicles are privately owned by club members and most have undergone meticulous restoration. Many have been outfitted with original equipment and supplies as would have been observed during actual battle. History buffs, antique vehicle enthusiasts and family members of all ages will enjoy seeing these vehicles and visiting with the owners to learn more about the vehicles and the efforts that go into keeping them running. Additionally, there will be a swap meet and displays of historic military artifacts, vehicle parts and collectibles.

In addition to all the military vehicles, the CAF’s museum will be displaying its incredible collection of military aircraft of WWII, Korea and Vietnam as well as memorabilia and artifacts. Learn more at www.azcaf.org.
